PROFILE

I recently graduated from TUES - TU Sofia as a Networking student and I'm now searching for opportunities in the fields of Cybersecurity and Design. I'm really curious and passionate about learning and connecting with people and, of course, willing to put in the effort! :)

📄 PORTFOLIO

in ⦿ ☁ 💻

💼 EXPERIENCE && PROJECTS

Building a Cyber Range

2024 – 2025

- By using **Openstack** and **KYPO CRP**, I built a local Cyber Range platform for educational purposes
- The project won **1st Place at TUES Fest 2025** in the Networking category
- The project then was showcased as my **Diploma thesis**

Hackaton Experience

2020 – 2025

- Has participated in **Hack TUES 7**, **Hack TUES 8**, **Hack TUES 9**, **Hack Tues 11** - Won an award for Best Presentation
- Member of the Organisation Team for **Hack Tues X && TUES Fest 2024**, as Graphic Designer

Internship at Schwarz IT

2024 – 2025

- 2024 Internship at Schwarz for 2 weeks, learning about OS and virtual machines
- 2025 Internship at Schwarz for 2 weeks, learning about Stackit and Agile methology
- Participated in the **"Big SCHWARZ Break"** Hackaton where TUES won 2nd place

🎯 ACQUIRED SKILLS

Time Management │ Programming │ Scripting
Critical Thinking │ Problem Solving │ Networking
Local Cloud Management │ Cybersecurity Basics

THANK YOU! :)
